Focus: The Holy Trinity is Father, Son, and Holy Spirit: 3 persons, 1 God!

This Sunday we honor the Most Holy Trinity. This is the greatest mystery of our faith.

The Father, Son, and Holy Spirit are each unique persons, but are also UNITED as 1 God.

When this mystery is hard to completely understand, don't panic...the greatness of God just can't fit inside our tiny little brains!

He is much more powerful than our minds. Last week on Pentecost, the Holy Spirit came with his 7 Gifts.

One of them, "Understanding" helps us to really grasp this mystery of the Trinity better.

Ask for his help!
