

Virtue & Saint of the Week:

Love / Charity

Saint Louis & Saint Zelig Martin

Louis and Zelig are two special saints who were married and show us a great example of what love looks like. They were kind, generous, faithful people. They owned their own business, and lived a normal, happy life together in France. They worshiped and honored God, and they taught their kids to love God more than anything else. In fact, all of their 5 girls became nuns! One of them is very famous—St. Therese. Yes, this holy family had 3 saints in it! Pray that your family members can all become Saints, too!

Theme: *We were created to love.* Love is God. When we love, we look like God. The family is the first place where we learn how to love!

This week we talked about what it means to be a “Domestic Church” and to mirror God’s love in the Trinity. God created us to love because he made us for HIM, and He IS love itself. When we love one another, we are continuing the great cycle of love and we help bring God into the world. Our Christian families are meant to be a big witness to the whole world of what God, and real love, look like. This love is generous, self-sacrificing, and always merciful. Ask God to help your family really look more like him and spread his life and power. If you have hurt one another, ask forgiveness! If you have not said, “I love you”, tell your family that this week. Help your family to be a mini-church that is full of God’s love!

This week’s Bible Verse: 1 John 4:12

"If we love one another, God remains in us and his love is brought to perfection in us."

1 Corinthians 13:4-8

Love is patient,

love is kind.

It is not jealous, it is not pompous,

it is not inflated,

it is not rude,

it does not seek its own interests,

it is not quick-tempered,

it does not brood over injury,

it does not rejoice over wrongdoing
but rejoices with the truth.

It bears all things,

believes all things,

hopes all things,

endures all things.

Love never fails.
