Theme: The Ascension of our Lord, Jesus Christ!

This Sunday, we celebrate the Ascension of our Lord! On the Feast Day of the Ascension, we recall the day that Jesus was taken to Heaven to be with His Father. The Ascension happens after Jesus' glorious resurrection on Easter Sunday. On the day of the Ascension, Jesus says that the prophets spoke of the Christ who would suffer, die, and rise on the third day. His disciples of the time witnessed firsthand the events that Christ had fulfilled. Jesus blessed the disciples and then was taken to heaven. After witnessing this great event, the disciples went back to Jerusalem with joy and continued to praise the Lord.

The Ascension is a day of celebration! Our Lord is taken to Heaven to be with His Father. Can you imagine the joy that Jesus had to be with His Father after all the work He had done here on earth? He must have been so excited just like how we are when we see our parents or guardians after a long time. The work that Jesus did on earth changed all of History for the better. He gave us the gift of our Faith, He gave us the Church, and He gave us Himself so that we may have eternal life. On this very special day, let us celebrate Jesus and be grateful for all that He gave us while on earth and that he continues to do for us in Heaven.
